

# KARL STOLIKER

---

Mango Hill, QLD 4509 | 0466 598 499 | kstoliker9@gmail.com

## Summary Statement

---

Biochemistry graduate transitioning into data analytics, with hands-on experience in experimental design, data collection, and quantitative analysis. Skilled in interpreting complex datasets, identifying trends, and communicating insights through clear reporting and visualisation.

## Research and Academic Experience

---

### Undergraduate Research Project - Protein Aggregation in Neuronal Cells

#### Bachelor of Science in Biochemistry, The University of British Columbia | 2022

- Conducted cell culture and protein assay experiments on mouse brain cell lines to characterise protein misfolding and cellular stress responses in neurodegenerative diseases
- Cleaned, organised, and analysed experimental data to identify patterns in cellular stress responses
- Documented findings in a structured thesis and translated complex insights to an academic panel

## Skills

---

Data analysis • Python • SQL • Tableau • Microsoft Office (Excel, Word)

A/B Testing • Experimental Design • Data Cleaning • Insight Generation • Time Management

## Work Experience

---

### Retail Sales Assistant

#### Golf Central BNE, Brisbane Airport | 2026

- Maintained inventory records, tracking stock levels and product movement to ensure data integrity
- Queried internal databases to retrieve historical customer purchase records, supporting personalised service and repeat sales
- Identified and resolved discrepancies in stock and transaction records, improving overall operational accuracy and retail operations

### Server & Bartender

#### Browns Restaurant Group, Vancouver | 2021-2023

- Managed high-volume service operations, maintaining accuracy under pressure
- Collaborated with team members to optimise workflow and improve service efficiency

### Front of House Staff

#### Maroochy River Golf Club, Sunshine Coast | 2025

- Executed daily beverage and bar preparation with accuracy by adhering to standardised recipes
- Upheld strict cleanliness and organisational standards to support a professional guest experience
